

# REAL - MUTE User Manual

1

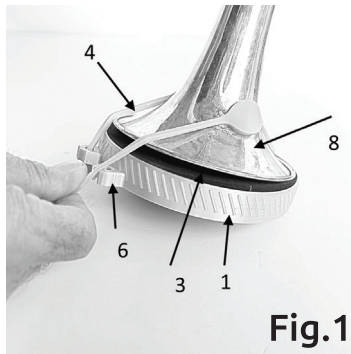

Fig.1

## Assembling the Real-Mute silencer:

Place the silencer (Fig. 1-1) on your knee. Center the bell (Fig. 1-8) on the sponge (Fig. 2-3). Hold the instrument firmly and stretch the straps (Fig. 1-4) and thread them into the slots in the anchors one at a time (Fig. 1-6).

2

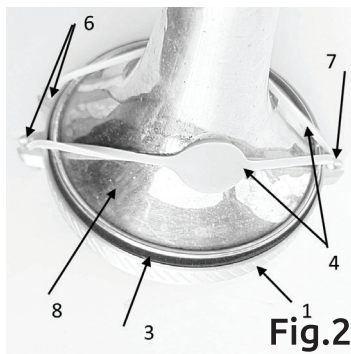

Fig.2

## Disassembling the Real-Mute silencer:

Place and hold down the wind instrument on your knee (Figure 1-1), stretch out the two straps one at a time and release them from the anchor's slots. (Fig. 2-6).

3

For best results play softly and gently.  
Over blowing can cause unnecessary effort and fatigue.  
After use allow the Real-Mute to dry and ventilate.  
The Real-Mute is fragile - do not drop to prevent damage or breakage.  
The Real-Mute is designed for Indoor use, do not expose to heat or direct sunlight.  
Deformed or damaged bells may significantly decrease muting performance.
